Just a Thank you

I just wanted to take a moment and thank MAEO for this scholarship money that I won. It is taken with appreciation and gratitude and will not be taken for granted. People everywhere would do anything for some type of scholarship money. So this scholarship money is taken with appreciation. Again I wanted to say thank you to MAEO for the opportunity and it was a huge blessing to receive the news about this scholarship money. If I have any questions I will gladly contact the email and number provided on the letter. Again huge thank you to MAEO for the opportunity.

*Sincerely, Cyle Springer*
